Bunnies (and pigs) + Volunteers = FUN

"Friends of Shelter Rabbits," is Zooh Corner's primary program, a group of dedicated critter-loving volunteers who care for the Zooh bunnies who are housed at the San Gabriel Valley Humane Society. Each day a pair or group of volunteers spends time at the shelter, feeding, cleaning, exercising--and loving--the shelter bunnies in our care. Not only is this a very special way to give of your time and compassion, it's a great way to learn more about bunnies and to DIRECTLY help save lives. And if you love bunnies, but cannot have one right now - SCORE: you get to play with them on a weekly or monthly basis!
